

Marriage Retreat MOT

Just like any vehicle can benefit from a regular service to keep it running smoothly, efficiently and identify issues before they become too costly; so can marriages also benefit from regular checks. This makes sure you are both aware of what direction you are heading towards and the impact it may have on each of you and your families.

This retreat is an engaging, interactive and intimate time for you both. Held in a beautiful Georgian Hotel, to help you feel welcomed, relaxed and comfortable - so that you can spend some special time as a couple investing in your marriage.

THIS IS FOR MARRIED COUPLES:

- Who want to commit to making their marriage even better
- Struggling with the same issues – time and time again
- Regardless of how long you have been married, irrespective of denomination or faith, who want to enhance the quality of their married relationship.

Marriage Retreat MOT

The programme is designed to give married couples the opportunity to review, evaluate and deepen their relationship with each other. It is facilitated by trained couples who will not only welcome you, but will share biblical based teaching and their own experiences - good and not so good. Trainers will encourage you to be honest together about the way you want to live your married lives together and allow space for God to move you forward in each area of your relationships.

Don't worry! You will not be asked to share anything personal with the group, couples open up in private.
